

PETER HOUTMAN

Animator • Character designer • Storyboard artist

 pan-tastique.com

 Recruiters only

 contact@pan-tastique.com

 The Netherlands (willing to relocate)

Peter is a young freelance artist with great motivation to break into the professional industry. What he lacks in experience, he makes up in motivation trifold. Peter is curious, creative, and has a unique worldview that any employer should be interested in. Peter enjoys to be challenged and works well as both an individual and in a team of like-minded creatives he can share his thoughts and ideas with.

EXPERIENCE

Director, Storyboard artist, Character Designer

Pan-tastique | Swift Spark and the Defense Five

May 2020 - ONGOING | Spijkensisse, The Netherlands

In May 2020, production on the pilot episode for "Swift Spark and the Defense Five" started, a web-distributed superhero cartoon. As a small, self-funded production, I have filled many of the roles for the early development stages of the pilot episode, including:

- Developed the concept and treatment for the series
- Created a pitch bible (3 iterations) for the series
- Writer for the full episode
- Character Designer for the full episode
- Prop Designer for the full episode
- Storyboard artist for the full episode
- Keyframe, Inbetween and Cleanup animator for the teaser trailer
- Colourist for the teaser trailer
- Background Artist for the teaser trailer

2D Animator

Frederator Networks | Steven Universe Reanimated

June 2022 - July 2022 | Spijkensisse, The Netherlands

In June and July 2022, I produced an animation for the Steven Universe collaboration hosted by Frederator Networks. These collaborations are good practice to try new character designs and reimagine clips of existing cartoons, further exploring my own artistic skills.

- Sole 2D Animator
- Sole Background Artist

2D Animator

Frederator Networks | Adventure Time Reanimated

October 2021 | Spijkensisse, The Netherlands

In October 2021, I produced an animation for the Adventure Time collaboration hosted by Frederator Networks. These collaborations are good practice to try new character designs and reimagine clips of existing cartoons, further exploring and honing my own artistic skills.

- Sole 2D Animator
- Sole Background Artist

Inbetween Animator

Studio 'nêetje | Hoge Verwachtingen in het Onderwijs

September 2021 | Spijkensisse, The Netherlands

In September 2021, I worked for Studio 'nêetje on a short film for Hogeschool Rotterdam, titled "Hoge Verwachtingen in het Onderwijs".

- Inbetween Animator for several shots

2D Animator

Pan-tastique | Zomerondernemer: Zakenvrienden Explanation

January - March 2020 | Spijkensisse, The Netherlands

From January to March 2020, I produced an explainer animation for ZomerOndernemer Rotterdam / Stichting The New Entrepreneur. The purpose of the short film was to introduce the concept of ZomerOndernemer to potential interested investors.

- Sole Scriptwriter
- Sole Animator
- Provided Voiceover for the film
